

ALL IS ONE 

KEEPING YOU SAFE

WE TAKE THE HEALTH & SAFETY OF OUR TEAM AND GUESTS EXTREMELY SERIOUSLY. TO ENSURE THE WELL-BEING OF EVERYONE, WE HAVE IMPLEMENTED THE FOLLOWING SAFETY & HYGIENE POLICIES:

- Partnered with **ECOSURE/NSF** to ensure the very highest of safety, sanitation, food handling and employee training standards are in place
- Established a dedicated **'Clean Team'** that focuses on regularly sanitizing all touch point areas – including restrooms, tables, seating and door handles
- Our premises are **fully sanitized** every night
- Extensive **employee training** on Covid-19 precautionary measures
- Continuous employee **hand washing**
- Providing **hand sanitation stations** throughout the premises
- Contactless **digital menu options available** in all cafes

We request that guests **use the hand sanitizer** provided on arrival and cooperate with all locally mandated requirements.

While we have taken extraordinary measures to keep our restaurants safe, we urge everyone to **Take Time to Be Kind** and treat each other with respect and dignity.
