

# LEGENDARY

From the moment you step inside Hard Rock Cafe, you're in the presence of greatness. There are legends on the walls, in the speakers, behind the bar, and at the grill. Since 1971, we've stood for food that's bold, drinks that are cold, and music that's loud. It all attracts a certain kind of guest. Those that aren't afraid to get up and rock out. Because nothing is more legendary than the spirit of rock n' roll.

# OUR VISION

We have a goal - we want 85% regional added value for our food. And we come a significant step closer to our goal every day with many small partners and suppliers, as well as our two most important ones!

From day one, our burger buns and breads are delivered fresh every morning by **Baker Ruetz**. For his Tyrolean breads, the traditional baker even grows his own grain on the Ruetz fields. This guarantees that the breads are truly natural, regional and fairly produced.

We also get our burger patties, ribs and the meat for our pulled pork fresh every day from the **Piegger Butchery**, a family business from Sistrans, a small village near Innsbruck. They stand for controlled, local top quality, "from the region, for the region".
