

LEGENDARY

From the moment you step inside Hard Rock Cafe, you're in the presence of greatness. There are legends on the walls, in the speakers, behind the bar, and at the grill. Since 1971, we've stood for food that's bold, drinks that are cold, and music that's loud. It all attracts a certain kind of guest. Those that aren't afraid to get up and rock out. Because nothing is more legendary than the spirit of rock n' roll.

OUR PHILOSOPHY

Our goal is to source the majority of our products regionally while producing as little waste as possible. Since our opening in 2017, the **Traditional Bakery Ruetz**, a family-run business with a long history in Tyrol, has delivered fresh burger buns and bread to us daily. Ruetz grows the grain for these products on its own fields, ensuring the highest quality and pure, natural products.

Our meat products, including burger patties, ribs, and pulled pork, have also come from the local **Butcher Piegger** in Sistrans since the first day of the Hard Rock Café Innsbruck. As a family business focused on regional top-quality, Piegger sources the meat from farms in the surrounding area.

Thanks to direct deliveries, we not only save on packaging materials but also guarantee freshness and sustainability. In addition, we prepare all our dishes fresh – including our sauces – and largely avoid convenience products. This means more quality on the plate and a positive contribution to the environment.
