

## Gender Pay Gap Reporting Statement 2024

**Hard Rock Cafe – (Hard Rock Cafe London – Old Park Lane & Piccadilly Circus, Edinburgh, Manchester, Glasgow and Hard Rock International Corporate Team)**

We are an employer required by law to carry out Gender Pay Reporting under the Equality Act 2010 (Gender Pay Gap Information) Regulation 2017.

As an employer with a workforce of more than 250 plus in the UK on the 5<sup>th</sup> April 2023, we must comply with new statutory provisions regarding gender pay reporting. This involves carrying out six calculations that show the difference between the average earnings of men and women in our organisation; it will not involve publishing individual employee's data.

We are required to publish the results on our own website and a government website and will do this within one calendar year of 5<sup>th</sup> April 2025 using our HR and payroll data.
